INTRODUCTION FROM OUR DIRECTOR

Maneesh, the founder of Strong Webtech, is a visionary entrepreneur and seasoned IT professional with over a decade of experience in web development, project management, and digital solutions. With a B.Tech in Information Technology from BIET Jhansi (2015), Maneesh started his career as a web developer at Zeengal Solution, where he honed his skills in PHP, MySQL, Laravel, HTML, CSS, JavaScript, and more.

During his six years at Zeengal Solution, Maneesh became a trusted expert in eCommerce platforms like osCommerce, building robust, user-friendly online stores. His ability to combine technical expertise with creative problem-solving led him to join the British School of Languages as a Project Manager. There, he successfully designed and developed a multi-domain website operating across 100+ countries, showcasing his leadership and innovation.

OUR HISTORY

At Strong Webtech, we believe in the power of innovation, creativity, and technology to transform ideas into reality. When I founded this company in 2022, my vision was clear: to create a trusted technology partner for businesses looking to succeed in today's fast-paced digital world.

2022

Strong Webtech was founded with a vision to provide innovative digital solutions. We began our journey by offering customized web development services, laying the foundation for future growth.

2023

We expanded our services to include SEO, digital marketing, and eCommerce development. Notable projects like Teachwell.in and JobExamNews.com were launched, diversifying our portfolio and strengthening our reputation.

2024

Strong Webtech formed strategic partnerships with Globalway Innovation and Lunarmedia, enhancing our service offerings. We introduced the LUNA software for digital ad management and began managing complete digital marketing solutions for Global Choice.

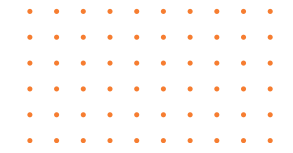

2025

We continue to lead digital transformation with a focus on exploring new technologies. Our commitment to delivering cutting-edge solutions ensures ongoing growth and success for our clients and partners.

OUR VISION

"Empowering businesses with innovative digital solutions to create a smarter, more connected world."

01.

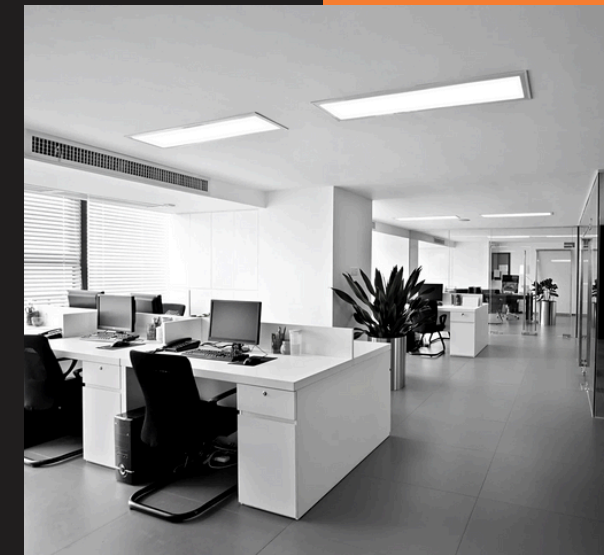

At Strong Webtech, we envision a future where technology seamlessly transforms businesses, helping them achieve growth, efficiency, and success.

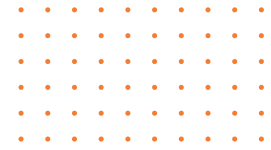

02.

Our goal is to be a global leader in web development, digital marketing, and IT solutions, enabling startups, enterprises, and organizations to harness the power of the digital era.

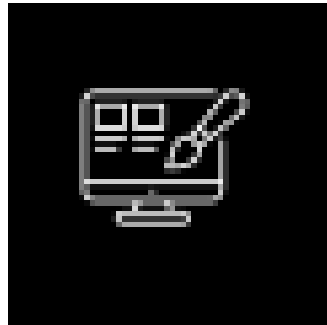

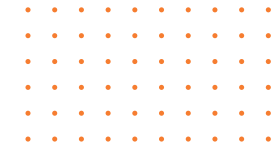

OUR MISSION

01. Deliver Excellence – Provide cutting-edge web development, digital marketing, and software solutions that exceed client expectations.
